

Dear Furry Friend,

Let's review some important guidelines of your stay to make it a great experience for all:

- ❖ We welcome you here and are happy that you will be staying in one of our special pet designated rooms. Please don't bring along too many of your friends as we can only have two pets per room. We love you dearly but want to make sure that any future or current guests who might have a pet allergy are not rendered all teary eyed due to being exposed to you and or any or our furry friends.
- ❖ Did someone say "walk"? Make sure you walk in our pet friendly areas. Please stay on your leash at all times when outside of your guestroom.
- ❖ We have pet areas located outside. Have your owner take a "pick-up waste bag" on your walk. Picking up after you, ensures healthy conditions for other pets and it is the local law.
- ❖ Unfortunately, only "assistance guide dogs" are allowed in any public area that includes but is not limited to the dinning area, meeting room, business center and non-pet friendly guestrooms.
- ❖ No matter how well adjusted you are at home, you may get a lonely and bark when left alone in the guestroom. Please do not disturb other guests. Have you owner take you with them when they leave the guestroom.
- ❖ Shhhhhh. Refrain from barking and whining. If you are not quiet and we receive two noise or disruptive complaints, it's the doghouse for you. You and your owner will be asked to make alternate arrangements and that would make us very sad.
- ❖ "Cujo" you're not, but your owner must be present and have you restrained while any hotel employee is servicing your guestroom (housekeeping, engineering, etc). We will not enter any guestroom that has an unrestrained pet.
- ❖ This might be "ruff" for you (and maybe even for your owner) because it is hard to resist our comfortable beds but pets are not allowed on the beds or furniture. Our front desk associates can provide a "pet designated" blanket to sue during your stay.
- ❖ Want to bathe? Our front desk can refer a local groomer should you need a bath, but please-not in our tub.
- ❖ We have you covered for most all items, but beware that extra fees may be incurred should there be significant additional cleaning required.

Your owner signed this agreement so they agree to abide by our pet policy and agree to be responsible for any damages to the property and/or personal injury to hotel employees and/or other guests that you cause. They also agree to absolve Best Western of any liability if you are injured or cause injury to someone else or someone else's pet. Thank you in advance for helping us maintain a safe environment and being considerate to all of our furry and non-furry guests.
